(d) whether the targets have been met in all the States especially in the State of Himachal Pradesh, if so, the details thereof and if not, the reasons therefor?

Answer

MINISTER OF HUMAN RESOURCE DEVELOPMENT
(SMT. SMRITI ZUBIN IRANI)

(a) to (d) : The Shaala Darpan initiative launched in the Kendriya Vidyalayas(KVs) with effect from 5.6.2015 is intended to serve as a single integrated platform to address academic and administrative requirements of various stake holders such as students, teachers, school management and parents. The services of Shaala Darpan help the parents to keep them informed of the attendance of their wards in school. Besides this, other services like access to class schedules, examination schedules and results, online learning resources, interaction with teachers, access to online admissions etc are being provided through Shaala Darpan. At present approximately one lakh ten thousand parents of the students of KVs in Delhi are able to access these services. On-line admission for Class − I for the session 2016-17 has also been processed successfully for the KVs of Delhi Region.
The funds required for Shaala Darpan are being met out of the budget of Kendriya Vidyalaya Sangathan (KVS) and no specific budget allocation is made by the government for the purpose.
KVS has informed that the data digitization with respect to the KVs located in all the states, including those in the State of Himachal Pradesh has been completed.
